21. **Independent Directors**

Independent Directors play an important role in their governance process of the Board. They bring to bear their expertise and experience on the deliberations of the Board. This enriches the decision making process at the Board with different point of view and experiences and prevents conflict of interest in the decision making process.

The appointment of Independent Director is carried out in a structured manner. The Nomination and Remuneration Committee identifies potential candidates based on certain laid down criteria and takes in to consideration the diversity of the Board. The Independent Directors have been appointed for a fixed tenure of five years from their respective dates of appointment.

None of the Independent Directors serves as “Independent Directors” in more than seven listed entities.

During the year under review, the Independent Directors met on 11th February, 2019, inter alia, to discuss:

1. Evaluation of the performance of Non Independent Directors and the Board of Directors as a Whole;
2. Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors.
3. Evaluation of the quality, content and timelines of flow of information between the management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All the independent Directors were present at the Meeting.

22. **Nomination and Remuneration Policy**

The Nomination and Remuneration Committee has formulated the criteria for determining qualifications, positive attributes and independence of Directors and recommends to the Board a Policy, relating to the remuneration for the Directors, Key Managerial Personnel and other employees. The brief terms of the policy framed by the Nomination and Remuneration Committee, in pursuant to the provisions of Section 178(4) of the Companies Act, 2013 and rules made there under are as follow:

- (a) The Committee shall ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;

- (b) The Committee shall also ensure that the relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) The Committee shall also ensure that the remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The key objectives of the Committee are:

- (a) To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- (b) To evaluate the performance of the Members of the Board and provide necessary report to the Board for further evaluation.
- (c) To recommend to the Board on remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

23. Director's Responsibility Statement

In terms of Section 134 (3) (c) of the Companies Act, 2013, your Board of Directors hereby state that:

- i) in the preparation of the annual accounts, the applicable accounting standards have been followed;
- ii) the directors have selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for the year under review;
- iii) the directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) the directors have prepared the annual accounts on a going concern basis;
- v) the directors has laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively; and
- vi) the directors had devised proper system to ensure compliance with the provisions of all applicable laws and that such system were adequate and operating effectively.

24. Particulars of contracts or arrangements with related parties

All related party transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of the business. There are materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have potential conflict with interest of the company at large and hence, Form AOC-2 is attached as "**Annexure A**" and forms a part to this Report. Prior omnibus approval of the Audit Committee is obtained for the transactions which are of a foreseen and repetitive nature. However, the other transaction made by the Company with related parties, disclosure of which is required under Accounting Standard 18, form the part of notes to the financial statement provided in this Annual Report.

A Resolution seeking ratification of Material Related Party Transactions entered by the Company with Related Parties during the Financial Year 2018-2019 forms part of the Notice convening the 35th Annual General Meeting and the same is recommended for your consideration and approval.

The Policy on Related Party Transactions as approved by the Board is uploaded on the Company's website at www.vistamar.com

25. The name of Companies which have become or ceased to be its Subsidiaries, Joint Ventures or Associates Companies during the year

There were no Companies which have become or ceased to be its Subsidiaries, Joint Ventures or Associate Companies during the year.

Management Discussion and Analysis Report for the year ended 31st March, 2019

The Management of VISTAR AMAR LIMITED presents its Analysis report covering performance and outlook of the Company. The Management accepts responsibility for the integrity and objectivity of the financial statements. However, investors and readers are cautioned that this discussion contains certain forward looking Statements that involve risk and uncertainties.

Economic Review

Global

The world economy grew by 3.6% in 2018, according to the International Monetary Fund (IMF). The marginal moderation in growth from 2017 was primarily on account of a slowdown in Europe and Asia (particularly China). On the other hand, propelled by a fiscal stimulus, the US economy grew by 2.9% in 2018 as compared to 2.2% in 2017. China's deceleration follows tightening of economy-wide regulatory controls and rising trade tensions with the US. The Euro Area economy (Germany, France, Italy and Spain) navigated weakening consumer and investor sentiments, together with softening export demand. Geo-political risks increasingly took a toll on business confidence globally.

Outlook

Global growth is projected to moderate further to 3.3% in 2019, reflecting concerns over potential escalation of trade tensions between US and China, unwinding of fiscal stimulus in US, weakening financial market sentiment, uncertainty about BREXIT outcome and possible slowdown in Chinese economy.

India

At 7.3%, India outperformed China (6.6%) in the year and emerged as the fastest-growing large economy. The key contributors to this growth include its robust private consumption, the implementation of GST, an array of structural reforms and low food inflation that was partly offset by disruption caused by the floods in Kerala. India's ranking in the World Bank's Ease of Doing Business Index continued to improve, jumping 23 places in the 2018 edition to assume the 77th position. Another indication of the growing investor confidence is that the total FDI inflow in India in 2018 was recorded at ~US\$38 billion, surpassing China for the first time in 20 years.

Outlook

India is projected to remain robust and grow at a rate of 7.1% in 2019, benefitting from lower oil prices, sustained growth in private consumption and favourable monetary policy. Risk to forecast includes outcome of the general election in May 2019, monsoons and slowdown in the global economy.

Industry structure and developments

Constituting about 6.3 per cent of global fish production, the sector contributes 1.1 per cent of the GDP and 5.15 per cent of the agricultural GDP.

India is the second-largest fish producing country, with total fish production of 10.07 million tonnes, and earned foreign exchange of ₹ 45,106.89 crore in 2017-18. This accounts for around 10 per cent of the total exports of the country and nearly 20 per cent of the agricultural exports.

India has huge potential to increase fish production from 2.02 million sq km of Exclusive Economic Zones, 1.91 lakh km of rivers and canals, 3.15 million hectares of reservoirs, and 1.24 million hectares of brackish water. This will enhance employment and the revenue of the country. (Ref: Department for fisheries gets mixed reaction published on 01st February, 2019).

According to the Central Statistics Office (CSO) data, the expansion in activities in 'agriculture, forestry and fishing' is likely to increase to 3.8 per cent in the current fiscal from 3.4 per cent in the preceding year.

Independent Auditors' Report

To the Members of
Vistar Amar Limited

Report on the Financial Statements

We have audited the accompanying Ind AS financial statements of Vistar Amar Limited (formerly known as Shubra Leasing finance and Investment Company Limited) ("the Company"), which comprise the Balance Sheet as at 31 March 2019 and the Statement of Profit and Loss for the year then ended, Cash Flow Statement for the Year then ended and statement of Changes in Equity for the period then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS Financial Statements").

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the financial position of the Company as at 31 March 2019 and its financial performance including other comprehensive income, its cash flow and changes in equity for the period ended on that date.

Annexure B to the Independent Auditors' Report of even date on the Financial statements of Vistar Amar Limited – 31 March 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vistar Amar Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2019**Note 1 Corporate Information**

Vistar Amar Limited (the "Company") was incorporated on 07 October 1983, under the Companies Act, 1956. The Company's principal activity is trading in fish and fish related activities. The registered office of the Company is located at Plot A4, APMC - MAFCO yard, sector 18, vashi, Navi Mumbai - 400703

The financial statements of the Company for the year ended 31 March 2019 were authorised for issue in accordance with resolution of the Board of Directors on 22nd May 2019.

Note 2 Significant Accounting Policies**i Basis of Preparation**

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project including defect liability period and extends up to the payment of liabilities (including retention monies) within the agreed credit period normally applicable to the project.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable

income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

iii **Financial Instruments**

Vistar Amar Limited

a **Financial Assets**

Initial Recognition

In the case of financial assets not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through other comprehensive income ("OCI") if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL."

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received."

b **Equity Instruments and Financial Liabilities**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement**Financial liabilities at FVPL**

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

iv Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

v Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

vi Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

vii Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

viii Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are neither recognised nor disclosed in the financial statements.

ix Segment information

The Company is engaged in "Fish and Fish related activities" which in the context of Ind AS 108 "Operating Segment" notified under section 133 of the Act is considered as the only segment. The Company's activities are restricted within India and hence no separate geographical segment disclosure is considered necessary.

Note 24 Financial risk management objectives and policies

The Company's principal financial liabilities consists of trade payables. and principal financial assets consists of trade receivable and cash and cash equivalents and Bank balance other than cash and cash equivalents. In the ordinary course of the business, the Company is mainly exposed to risks resulting from credit risk and liquidity risk.

i Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a loss to the company. The Company has adopted the policy of only dealing with credit worthy counter parties as a means of mitigating the risk of financial losses from default. The carrying amount of financial assets recorded in the financial statements represent the Company's maximum exposure to credit risk. Cash and cash equivalents are held with creditworthy financial institutions.

iii Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt from lenders at an optimised cost.
